SOURCE: 50 FR 1726, Jan. 11, 1985 (interim rule), and 50 FR 52429, Dec. 23, 1985 (final rule), unless otherwise noted.

1.700 Scope of subpart.

This subpart prescribes general policies and procedures for the use of determinations and findings (D&F's). Requirements for specific types of D&F's can be found with the appropriate subject matter.

1.701 Definition.

Determination and Findings (D&F) means a special form of written approval by an authorized official that is required by statute or regulation as a prerequisite to taking certain contracting actions. The *determination* is a conclusion or decision supported by the *findings*. The findings are statements of fact or rationale essential to support the determination and must cover each requirement of the statute or regulation.

1.702 General.

(a) A D&F shall ordinarily be for an individual contract action. Unless otherwise prohibited, class D&F's may be executed for classes of contract action (see 1.703). The approval granted by a D&F is restricted to the proposed contract action(s) reasonably described in that D&F. D&F's may be provided for a reasonable degree of flexibility. Furthermore, in their application, reasonable variations in estimated quantities or prices are permitted, unless the D&F specifies otherwise.

(b) When an option is anticipated, the D&F shall state the approximate quantity to be awarded initially and the extent of the increase to be permitted by the option.

1.703 Class determinations and findings.

(a) A class D&F provides authority for a class of contracting actions. A class may consist of contracting actions for the same or related supplies or services or other contracting actions that require essentially identical justification.

(b) The findings in a class D&F shall fully support the proposed action either for the class as a whole or for each action. A class D&F shall be for a specified period, with the expiration date stated in the document.

(c) The contracting officer shall ensure that individual actions taken pursuant to the authority of a class D&F are within the scope of the D&F.

1.704 Content.

Each D&F shall set forth enough facts and circumstances to clearly and convincingly justify the specific determination made. As a minimum, each D&F shall include, in the prescribed agency format, the following information:

(a) Identification of the agency and of the contracting activity and specific identifications of the document as a *Determination and Findings*.

(b) Nature and/or description of the action being approved.

(c) Citation of the appropriate statute and/or regulation upon which the D&F is based.

(d) Findings that detail the particular circumstances, facts, or reasoning essential to support the determination. Necessary supporting documentation shall be obtained from appropriate requirements and technical personnel.

(e) A determination, based on the findings, that the proposed action is justified under the applicable statute or regulation.

(f) Expiration date of the D&F, if required (see 1.706(b)).

(g) The signature of the official authorized to sign the D&F (see 1.706) and the date signed.

1.705 Supersession and modification.

(a) If a D&F is superseded by another D&F, that action shall not render invalid any action taken under the original D&F prior to the date of its supersession.

(b) A modification of the D&F will not require cancellation of the solicitation if the D&F, as modified, supports the contracting action.
